**LOGAN CHALLENGE:** Greg Birkbeck (left) and Michael Franzmann (right) wrestle for the cup that will be contested at Carbrook in two weeks as Bill Richards looks on.

## Chambers tee off

BRAGGING rights and a shiny silver trophy have added a new twist to Logan Chamber of Commerce's annual golf day.

The chamber has introduced the "Chamber Challenge Cup", in which teams from Logan, Logan Country and Beenleigh Yatala chambers of commerce will face off in a four-ball ambrose competition.

Logan Chamber of Commerce president Michael

Franzmann said he hoped the event would bring the organisations together through a bit of friendly competition.

"We love the new areas of our city and we're always looking to build on these relationships," he said.

"This is one way we can do it while remaining fit and active."

Logan Country Chamber of Commerce president Greg Birkbeck welcomed

the rivalry. "We have every chance of winning this," he said. "I've been training at the Hills (International) golf course, so the country chamber will bring endurance and stamina."

The contest will be held at the Carbrook Golf Course, Beenleigh-Redland Bay Rd, Carbrook, on October 23.

Cost is \$400 for a team of four, individuals \$100.
